

AL-976™

ALUMINUM FULL VIEW DOORS

Outperforming Since 1976.

Manufactured since 1976, the AL-976™ aluminum door offers a variety of options where superior strength, maximum visibility and exceptional light transmission are required. Its unique and durable design allows customized configurations for openings up to 24' (7.32m) wide. The AL-976 is used in a wide variety of applications and aesthetically complements the exterior of any facility.

A SUPERIOR VISION OF PERFORMANCE AND DURABILITY:

- Proven quality and reliability.
- Outperforms when maximum visibility and performance are required.
- Manufactured using the highest-grade materials.
- Ideal for automotive dealerships, service stations, municipal facilities, fire halls, store fronts and more.
