

AL-SWD™

ALUMINUM SLIM WINDOW DESIGN

High-Quality, Long-Lasting Performance.

Ideal for automotive dealerships and similar applications, the AL-SWD™ outperforms when effective visibility and light transmission are required. A high-quality, distinctive design provides an affordable alternative to a high-speed roll-up door. The AL-SWD is manufactured using the highest-grade aluminum extrusions, thereby reducing stress on all moving parts of the door—for longevity in a high cycle environment.

EFFECTIVE LIGHT TRANSMISSION AND SLEEK, MODERN DESIGN:

- Manufactured using the highest-grade materials.
- Performs well when enhanced visibility and light transmission are required.
- The sleek, distinctive design provides a unique, modern complement to any build or upgrade.
- Ideal for automotive dealerships and similar applications.
