

KANATA

EXECUTIVE LINE

WOOD OVERLAY OPTIONS FOR OUR KANATA LINE

Timeless Wood Panel Design with Superior Performance

The Kanata Executive Line blends sophisticated design with unmatched energy efficiency. Built on our polyurethane insulated Kanata base, these doors feature a premium wood overlay that adds timeless elegance to their exceptional performance. With 44.5mm (1-3/4") polyurethane insulation foamed in place, an R-value of 16.3+, a new tongue-and-groove design, and a true thermal break, these doors offer superior strength, durability, and thermal protection. The Kanata Executive Line is the ultimate choice for energy-conscious homeowners seeking the ultimate in design flexibility.

KEY FEATURES AND BENEFITS

- New Wood Door in Multiple Grains
- High-quality, versatile and eco-friendly
- With a built-in thermal break, this door is suitable for both cold and warm climates
- Available in 24 unique wood panel designs, each offered in 5 rich wood color options

Overlay
panel is
3" thick
